Dear Y. Bgh. Prof. / Assoc. Prof. / Dato’ / Datuk,

IIUM NATIONAL VIDEO COMPETITION ON DISABILITY AWARENESS,
JULY-SEPTEMBER 2017
- INVITATION FOR PARTICIPATION

We are pleased to inform Y. Bgh. Prof. / Assoc. Prof. / Dato’ / Datuk that the International Islamic University Malaysia (IIUM) through the Disability Services Unit, Office of Deputy Rector (Student Affairs), IIUM, will be organizing the IIUM National Video Competition on Disability Awareness, from June to September 2017. This National Video Competition will be the first of its kind to be open to all students at public and private universities and other Institutions of Higher Learning (IHLs) in Malaysia, as part of our service to the Malaysian community.

The Video Competition is a collaboration between the IIUM, the Ministry of Higher Education (MOHE) and the Ministry of Women, Family and Community Development, funded under the National Council for Persons with Disabilities (PwDs), as part of the initiative to increase awareness about disabilities and develop a caring and knowledgeable society towards PwDs. The target participants are university students as they are the future leaders of the country. In the process of finding materials in developing the videos, they will also be able to enhance their understanding on the needs of PwDs and how breaking the attitudinal barriers and stigma in the society can help make a difference in the lives of PwDs in the long-run. A Workshop on Disability Equality and Sensitivity Training will be held for contestants in order to guide them in developing the materials for the videos. Collaboration with the Malaysian Communications and Multimedia Commission
